The Chamberlin Metal Weather Strip

FOR DOORS AMD WINDOWS

IS a complete protection from cold coming in around the window sash and top, bottom and sides of doors. It does not disfigure the woodwork, and being made of ZINC will last a lifetime. We employ careful workmen who are reliable and trustworthy and who make very little muss while in the house. Personal comfort is of greater value than money.

CHAMBERLIN METAL WEATHER STRIP CO.:

Gentlemen — I am delighted with the strips you put in my house last June. They are all that can be claimed for them. The windows are absolutely noiseless now, there never was so little dust and the effect upon the temperature during the cold weather has been marked, the house being much more comfortable than last winter under the same conditions of heating. I have never been more pleased with a device and can recommend them without reservation.

Yours very truly,

JOHN H. HOLLIDAY.

PREFACE.

1367195

THE third issue of the INDIANAPOLIS BLUE BOOK possesses some features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts.

Neither time nor money has been spared to make this work as complete and valuable as possible. The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We hope to make the INDIANAPOLIS BLUE BOOK as nearly perfect as it is possible to make such a volume.

We do not claim the BLUE BOOK is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained therein. It is simply a compilation of about two thousand names of the most prominent householders of Indianapolis and suburbs, published in the most convenient form for reference by our lady patrons.

The title "BLUE BOOK," is given the work because of its blue cover. It does not refer to blue blood, as many people suppose. Webster's definition of Blue Book is as follows: "Blue Book—a book containing a list of fashionable addresses."

The data for this work have not been compiled from circulars or from other directories. Experienced men, particularly adapted for such work, have been assigned to each locality, and the greatest care has been used in selecting these names.

Please send any information you may have that will aid in keeping the records correct to Dau Publishing Co., 54 West 22d Street, New York City.

The Mission Model Starr

Here's a piano that was needed — something to harmonize with the mission style furniture that has found its way into so many American homes. It's a masterpiece of classic art from both the architectural and musical point of view.

Solidity, stability and simplicity are essentials of the perfect pianoforte, and they are also prime requisites of the mission style furniture. Blended in the Mission Model Starr, they produce a perfect instrument.

Let us send you a booklet describing it in detail.

The Francis Pharmacy Co.

Cor. N. Pennsylvania and Ohio Sts.

Successors to THE HURTY-FRANCIS PHARMACY CO.

Conduct one of the best equipped Prescription Pharmacies in the West. Every effort is made to maintain the highest standard of excellence in the character of their work and the quality of their drugs. They maintain an Analytical Laboratory where all drugs and chemicals are carefully inspected before entering the dispensing room. *It costs you no more* to buy your medicines of them than of those druggists who are indifferent as to the service which they render. They have their own messengers and call for and deliver Prescriptions or articles of merchandise to any part of the city without extra charge.

Their ROSE COLD CREAM is unexcelled by any manufacturer. Their line of Toilet Preparations also includes: PALMOLINE, for all roughness of the skin; FRANCIS' HAIR TONIC, compounded from the formulas of many eminent dermatologists and guaranteed to stop falling hair and to cure dandruff; PERFECTION GREEN SOAP, U. S. P., the rational shampoo; and PU-RO-DO, which destroys the odor of perspiration. This Pharmacy also carries a select line of Imported Perfumes, such as Houbigant's Ideal, Piver's La Trefle and Roger & Gallet's line. They sell them at very lowest prices.

OSTEOPATHY

IS NOT A CURE-ALL, BUT IT HAS GIVEN
ABUNDANT EVIDENCE AT THE

SPAUNHURST INSTITUTE OF OSTEOPATHY

that it adds years to the life and life to the years of chronic sufferers who have tried other methods without success. The crowning virtue characteristic of this Institute is its rational, scientific, drugless methods, and the conscientious painstaking care given each individual case. The Institute is completely equipped, absolute cleanliness and privacy prevail, and its corps of skillful licensed Osteopaths have supplemented their thorough training under the founder of Osteopathy with wide and successful experience; hence it especially appeals to the intelligent, the thoughtful and the cultured. Unprejudiced inquiry will convince you that Dr. J. F. Spaunhurst, established in 1900, has earned and is entitled to the high confidence and liberal patronage he receives.

ED. W. DOSER

PAINTS, OILS AND GLASS

16 West Market Street, INDIANAPOLIS, IND.

There may be a better Floor Varnish than PERMANERE, but as yet it has not been discovered.

If you have a floor that needs refinishing, give PERMANERE a trial.

We do not make extravagant claims for it, as it sings its own praises.

A trial will convince you.

DOSER'S KLENZER is a safe and necessary article for the proper cleaning of Floors, Carpets, Furniture, Bath Tubs, Delicate Embroidery, Brass Beds, Cut Glass, Wicker Furniture, Marble and Porcelain Ware. Nothing too delicate or too dirty, and perfectly safe in the hands of servants.

WE RECEIVE many complaints from our patrons to the effect that they are bothered so much by **BORROWERS.** These parties are merchants, business and professional men who need a Blue Book every year, yet who are too close-fisted to buy one.

These same individuals are the ones that borrow your Blue Book "just for a minute," which, in the majority of cases, means a day or perhaps a week, unless you remember that they have it and send for it.

These same borrowers will tell our canvasser that he has "no use for a Blue Book," that he "knows everybody," and, vice versa, "everybody knows him."

When he calls again, refer him to us, or to a bookstore.
